ABOUT ME

I design for print and digital delivering animated web ads, video content and numerous printed materials. I am a creative problem solver who can take information and present it visually in a creative and organized way. If you need a genuine, honest, creative, organized and hard-working designer — I will make a great addition to your team. Please browse my portfolio website and contact me with any interest.

FREELANCE EXPERIENCE

2003 - PRESENT

RELATED WORK EXPERIENCE

CINCINNATI PLAYHOUSE IN THE PARK

9/2013-PRESENT

(Multimedia Designer)

I directly contributed to the success of each Playhouse season through design and art direction. I recommended design techniques to improve look and feel of visual content, identified and solved design related issues in a timely fashion, edited video and audio to support multimedia programs and evaluated design concepts to recommend improvements. In 2016 I played an important role in the total re branding of the Playhouse and worked closely with the design agency to execute their vision across all platforms.

DYNAMIC CONTROL OF NORTH AMERICA

9/2011-9/2013

(Graphic Design and Marketing Coordinator)

Duties included package design, catalogs, newspaper/magazine ads, trade show support, website graphics, press releases and seeking out new advertising opportunities. I maintained the look and overall visual reputation of multiple products and brands.

CASSIDY TURLEY COMMERCIAL REAL ESTATE

10/2007-9/2011

(Graphic Designer)

As the solitary design professional for CT's Cincinnati and Dayton branches, I was a crucial part of building and maintaining the company's brand standards. I helped the company's re branding efforts when they transitioned from Colliers, Turley, Martin, Tucker to Cassidy Turley in 2010.

ANTHONY MUÑOZ FOUNDATION

2006-2007

(Graphic Design Intern)

Responsible for Cincinnati Business Courier ads, event logos and programs, posters and other print work. My design and customer service role in the Foundation's marketing department helped raise one million dollars to impact Tri-State youth.
